## PERSONAL INJURY CLAIMS

Our firm understands that if you are injured in an accident, or suffer an illness, which is due to somebody else's fault, it can be a very stressful time for you. You may be considering making a claim to recover compensation for your injuries and any losses you have suffered, but are worried about the possibility of getting involved in a Court Case and how much it would cost you.

At Burley & Geach we have experienced lawyers who specialise in Personal Injury Claims, who will explain to you and guide you through the whole process and help remove any worries you might have about making a claim.

Our Practice covers all areas of the law which allows us, as a Firm, to address other issues that may arise.

We deal with all types of Personal Injury Claims, from small and relatively straight forward cases to large and complex actions, but no matter what the size of the claim is, you can be assured that it will be handled professionally by an experienced Solicitor, who will advise and guide you through the whole process from the very beginning so that you have the comfort of knowing that your case is in expert hands.

Our aim is to do the best we possibly can for our clients and give them the caring and professional service they deserve.

If you are concerned about how much it will all cost, and feel you could not afford to pay legal fees, we are happy to enter into Conditional Fee Agreements ( i.e. " No Win, No Fee" Agreements) in appropriate cases, so that making a claim won't be a financial burden for you.

If you would like to speak somebody about a possible claim, we'll be happy to discuss it with you and answer any questions you may have, so please feel free to contact us.
